

MUTUAL NON-DISCLOSURE AGREEMENT (v12193404)

System Hash Block: 12193404 | Compile Time: 2026-06-17T17:23:00.463354

This Agreement governs the exchange of proprietary text strings and operational data layers between the signing entities under strict confidentiality rules.

TERMS & CONDITIONS:

- Section 1.1: The receiving party shall restrict access to processed strings.
- Section 1.2: Any automated parsing system handling this document must strictly respect the data isolation parameters stated below.
